Cambridge IGCSE®

English as a Second Language

Dear Teacher,

Cambridge University Press and Loescher Editore are delighted to invite you to free Professional Development teacher training workshops in Roma and Napoli.

These workshops are primarily for teachers currently teaching IGCSE® English as a Second Language and those teachers who are interested in adopting this curriculum. The workshop will also be suitable for CLIL Teachers who want to know more about Active Learning methodologies suitable for all IGCSE® subjects.

The workshops will be led by Peter Lucantoni, author of 'Cambridge IGCSE® English as a Second Language' (now in its 5th edition) and 'Introduction to English as a Second Language' both published by Cambridge University Press. Peter has been a teacher trainer in Europe and the Middle East for over 30 years and will be sharing practical techniques and activities for immediate use in class.

Meet colleagues, receive specialist teacher support, share best practices and network with peers from Cambridge Assessment International Education certified schools.
